

5. You can **initiate single European transfers** between your own accounts or to saved or new beneficiaries.

You can **check tasks concerning single European transfers, international transfers, transfer files, standing orders and the (un)blockage or closing of a credit card** waiting for your approval (initiated via Easy Banking Business Web and Mobile) and **sign** them easily with your 5-digit mobile PIN. You can sign up to 10 single European transfers at the same time and within the transfer limits as stated in the 'Good to know' section of this document.

If you wish to sign the transfer directly and the daily limit (see below in 'Good to know') is exceeded, the information you have already entered is not lost. You can save the transfer and sign it on your computer or the following day in the app.

YOUR ADVANTAGES

- **Functional:** you can access your accounts and credits, initiate and sign European transfers on-the-go. You can sign tasks concerning international transfers, transfer files, standing orders and the (un)blockage or closing of a credit card.
- **Practical:** no need for a card reader.
- **Efficient:** in line with the user rights defined in your Easy Banking Business Web contract.

GOOD TO KNOW
